

How Eminem's Asia Tour Went

On August 17, 2019 - Eminem's Asia Tour has *ended*. Marshall gave 11 concerts in 9 countries - despite the very different mentality, there were quite a lot of people who wanted to see the artist live. Because of this, the rapper had to give two concerts in Turkey and China, which totaled 164 000 people.

The artist has also held concerts in:

Jerusalem, Israel - 59 000.

Tokyo, Japan - 87 000.

Seoul, South Korea - 94 000.

Bangkok, Thailand - 21 000.

Singapore - 14 000.

Manila, Philippines - 26 000.

Jakarta, Indonesia - 32 000.

For the entire tour, Eminem totaled **497 000** people.

Impressions from Native Asian Fans

A few days after the tour, namely on August 21, 2019 - the musician posted on his Instagram with the following words: "Thank you so much to everyone who came! You really surprised me this time, Asia! See you soon!"

It probably won't come as an ambush to anyone that most of the people on this tour are tourists. But we spotted a couple of natives of Japan and Israel, and here are their impressions of the concerts:

"Hello! My name is Honoka, I'm 19 years old, and I am from Tokyo. I am absolutely happy that I was able to attend this concert! I have been listening to Eminem for a long time, his lyrics helped me a lot in learning English. I was really excited to see him live!"

"Hi! My name is Aaron, I am 27 years old. I lived in Israel until I was 18 years old, and then I went to study design in Switzerland, that's where I met Eminem! My roommate really liked to listen to him every morning, he said it was easier for him to tune in to his studies, and over time I got into his music too. I really enjoyed the concert, there were a lot of people, this crazy energy! It was awesome!!"
